

Director of Programmes

## Description

### About Sightsavers

Sightsavers is an international organisation that changes lives for the long term. We work in more than 30 countries to eliminate avoidable blindness and support people with visual impairments to live independently.

We do what we do because 80 per cent of blindness in the world is avoidable, and we think that's astoundingly unfair. We do it because people with disabilities deserve the same opportunities as everyone else.

Mission Talent has been tasked by Sightsavers with providing an exclusive search for the position of Director of Programmes for the East Mediterranean, who is to work with the GD in the Middle East, providing programmatic leadership for the region.

### Purpose of Position

To provide programmatic leadership for the region, support business development in the Middle East and effective functioning of management processes

- Work in tandem with GD of Middle East to drive business development activities across the Gulf
- Provide planning input into new fundraising proposals– and ensure joined up with PS2 objectives and thematic strategies
- Ensure suitable information systems are maintained for accurate monitoring and reporting purposes
- Ensure strong financial control and performance reporting is in place throughout the Middle East
- Promote learning and sharing of best practices across the Middle, and with other Regions
- Represent Sightsavers externally as appropriate: to Governments, other partners and other agencies
- Ensure effective management and support for the establishment of our infrastructure and work in any new countries.
- Effectively manage resources in delivery of operational activities and objectives
- Deliver financial and operational targets
