

Country Representative

## Description

### About WaterAid

WaterAid has been in Uganda since 1983. During that period it has undergone significant changes moving from direct implementation of projects in water, sanitation and hygiene. Increasingly WaterAid is working through a range of partners from local government authorities to NGOs to deliver safe water, improved sanitation and hygiene education to poor communities in 11 districts. The country programme currently work in 5 districts including Kampala, and predominantly in the north and north east regions, working through local partners and with local governments. With a team of 27 committed, energetic and vibrant staff, the country programme is increasing its influence in the sector for greater equity, sustainability and accountability for the poor.

### Primary Purpose

#### **Reports to:**

Head of Region – East Africa

#### **Budget:**

Responsible for a budget of over £2 million annually

The primary purpose of the Country Representative (CR) is to provide leadership to the Country Programme (CP) and to contribute to the regional, pan Africa and global leadership of WaterAid. The CR achieves this by steering the direction of the CP, empowering and developing staff and partners and influencing public and private institutions on the impact that improvements in safe water and improved sanitation and hygiene can make to the poorest and most excluded – therefore contributing to wider poverty reduction and human development.
